Press Note.

The following Public Notice issued by the Minister of Commerce and Industry, Government of India, regarding the Grant of Emergency licences for replacement parts for industrial plant and machinery.

PUBLIC NOTICE.

"Under the existing Import Trade Control regulations spare parts of machinery required for replacement purposes and falling under Serial No. 36 (5) of Parts II, Serial No. 4 (5) of Part III, and Serial No. 65 (5) of Part V, of the Import Trade Control Schedule are freely licensed from all countries to actual users. The fullest facilities, therefore, exist to enable actual users to cover their normal requirements. It has, however, been represented that quite often actual users are not in a position to arrange for the import themselves and prefer to obtain their supplies through the ordinary trade channels. In such cases too, it would be simplest for the Actual User concerned to obtain a licence with a letter of authority in favour of the importer concerned.

Cases, however, do arise whether the replacement parts are required on an emergency basis for despatch by air, *e.g.* when production has come to a standstill on account of the unforeseen breakdown. In such circumstances it is represented that the need to apply for a licence in the normal way after the emergency has arisen only leads to the loss of many precious working days. To meet such contingencies, it has, therefore, been decided to introduce a scheme for the issue of emergency licences to established importers.

Emergency licences will be granted to established importers subject to the following conditions :—

(*a*) these licences will only be granted for replacement parts including component parts as defined in Indian Customs Tariff Item No. 62 (3), of machinery falling under Serial No. 36 (5) of Part II, Serial No. 4 (5) of Part III and Serial No. 65 (5) of Part V of the Import Trade Control Schedule;

(*b*) the value of these licences will be limited to 10 per cent of the value of current licences held by Established Importers for goods falling under the Serial Numbers specified in (a) above, subject to maximum of Rs. 10,000 in the individual case ;

(*c*) these licences will only be valid for import by air and for a period of 12 months from the date of issue ;

(*d*) imports made under these licences will not be taken into account in calculating quotas.

Emergency licences will be granted by the Import Trade Controllers at the ports on presentation of a current licence for goods falling under the Serial Numbers specified in (a) above, accompanied by a Treasury Receipt for the prescribed fee.

In cases where it is not possible to effect the import by air, an application for an emergency licence should be made to the Chief Controller of Imports (Emergency Licence Application), Post Box No. 284, New Delhi, as and when the emergency arises. The application need not be made in the prescribed form but it would be necessary for the Established Importer, to forward the licence held by him referred to in para 3 (b) above, together with a Treasury Receipt for the appropriate licence fee. Precise particulars of the emergency giving rise to the import requirement should be furnished, supported by a confirmatory letter from the actual user and the reasons why import cannot be made by air should be fully explained.

Emergency licences will not be renewed unless the party furnishes precise particulars in form 'A' attached of imports made under the previous emergency licence and the use to which those imports have been put."

Press Note.

Health of Live-stock during November 1951.

In their order of severity, outbreaks of Rinderpest, Blackquarter, Ranikhet, Anthrax, Foot and Mouth, Hæmorrhagic-Septicæmia, Sheep-pox and Contagious-goat pleuro-pneumonia, were encountered in the State during November 1951. Altogether 253 villages were reported to have been affected by one or the other of the several contagious and infectious diseases, as against 279 villages during the previous month. The number of outbreaks was highest in Kolar, Tumkur and Chitaldrug Districts, while Hassan, Mandya and Chickmagalur Districts were least affected. These diseases accounted for 1,331 attacks of which 1,097 succumbed. The departmental staff conducted 45,068 preventive inoculations and vaccinations against all the above diseases except Foot and Mouth disease. In the absence of a reliable method of vaccinatory intervention other prophylactic measures were adopted against Foot and Mouth disease.

Two outbreaks of Rinderpest of which one was among sheep were registered in Davangere and Tarikere Taluks accounting for 2 attacks among cattle and 28 attacks among sheep, of which 2 cattle and 12 sheep succumbed. Prompt measures of control were undertaken by the Department to check its spread and 3,265 cattle and 1,876 sheep and goats in the infected villages and 4,537 cattle and 21 sheep and goats in 18 neighbouring villages were protected against this disease. The disease appeared to be well under control at the end of the month under report.

Diseases caused by internal parasites were reported from 103 villages accounting for 14 deaths, as against 78 villages accounting for 13 deaths during the previous month. The special staff attached to the parasitic disease control units of the Department dosed 7,657 animals, as against 6,344 animals during the previous month.

The rest of the live-stock remained free from diseases during the month and fodder and water were generally available throughout the State.

Press Note.

The following Public Notice and the Press Note issued by the Ministry of Finance, Government of India, regarding the Maintenance Remittances to Pakistan is republished for general information :—

PUBLIC NOTICE.

"It has been decided by the Government of India to permit residents in India of Pakistani domicile and persons domiciled in India who have dependants in Pakistan to make moderate remittances for their support.

The procedure prescribed for making maintenance remittances to Pakistan is detailed below for the information of the general public.

1. Applications should be made in *duplicate* if remittances are to be made through banks and in *triplicate* if through post offices. As it will not be possible to arrange for the supply of forms all over the country, the applicants should make their own arrangements to submit their requests on the prescribed form, using thick paper for this purpose.

2. All applicants must obtain a certificate from the Collector/Deputy Commissioner of the district in which they reside in the form laid down in the appendix.

3. The maximum amount up to which remittances will be permitted will normally be Indian Rs. 50 per month. Collectors/Deputy Commissioners are authorised to issue permits for remittances up to this limit. Applications for remittances in excess of this limit for exceptional reasons will, however, be considered on merits. Such applications stating grounds on which higher remittance is desired should be submitted on the prescribed form to the nearest office of the Reserve Bank of India after obtaining the necessary certificate and recommendation of the Collector/Deputy Commissioner of the district in which the applicant resides.

4. On approval, the applicants will be able to make remittances up to the sanctioned amount to the person or persons in Pakistan mentioned in the application form either through an authorised dealer (*i.e.*, an authorised bank) or through a post-office during the validity of the permit at the option of the holder. For the present remittances will be possible only through authorised dealers, as arrangements have not yet been completed for re-opening money-order facilities with Pakistan. As soon as this is done, an announcement will be issued by the competent authority. Permits for remittances in excess of Indian Rs. 50 per mensem will, however, be available for remittances only through banks.

5. Remittances will be made in round Pakistan rupees only.

6. All remittances made will be endorsed by the authorised dealers or the post-offices on the original applications at the place provided for the purpose under their stamp and signature. The application will then be returned to the remitter to be presented again when he wishes to make the next remittances.

7. If, in any month, remittance is not made, the authority to make the remittance during that month will be deemed to have lapsed.

8. All remittances by authorised dealers will be made in the name of the beneficiary or beneficiaries as stated in the application. Postal authorities will also make money-order remittances only in the name or names of persons as approved on the application form.

9. If the remittance is to be made through post-office, one copy of the permit should be forwarded by the issuing office direct to the Post-master of the office at which the remittance is to be made.

10. If the applicant is found to have made any misstatement or abused the facility in any way, his permit will be cancelled and he will also make himself liable for prosecution under the Foreign Exchange Regulation Act, 1947.

11. Approval for remittances will not be granted for more than six months at a time after which a fresh permit from the Collector or Deputy Commissioner will be necessary. Applications for fresh permits should be submitted in the prescribed form and should state particulars of the previous permit.

Press Note.

Maintenance Remittances to Pakistan.

The Government of India have decided to allow moderate remittances to Pakistan for the support of dependants. The Public Notice setting out the details of the scheme has been published in the Gazette of India to-day.

Persons of Indian domicile as well as persons of Pakistani domicile residing in India who have dependants to maintain in Pakistan will be eligible for permits under this scheme. The maximum amount normally permissible to be remitted will be Indian Rs. 50 per mensem but applications for remittances in excess of this limit will also be considered on merits in exceptional cases. Applications are to be made in a prescribed form with supporting evidence to the Collector/Deputy Commissioner of the District in which the applicant resides. The Collectors/ Deputy Commissioners have been authorised to issue permits for remittances up to Indian Rs. 50 per mensem in individual cases. Applications for higher amounts have to be submitted to the Reserve Bank in the prescribed form after getting them scrutinised by the Collector/Deputy Commissioner concerned.

For the present, remittances will be possible only through banking channels but when money order transactions between India and Pakistan are resumed it will be possible to use the permits for remittances through the post office also."
